

National Board for Certification of School Nurses

Chuck A Buck A Day Away!

Do you want to take the NCSN exam, but think you can't afford it?

Well, "**chuck a buck a day away**"! Save a dollar a day and in a year you will have enough to take the exam.

This will help you to save enough money to take the exam, and give you plenty of time to prepare.

So why not plan on taking the exam in November of 2017? Wondering how to prepare? You can:

- start or join a study group;
- check out the [Handbook](#) on the NBCSN website including the resources at the end;
- talk to your state [NBCSN Liaison](#);
- check out the [online CE](#) on the NASN site;
- read the Journal of School Nursing and NASN School Nurse (back issues available on line);
- read the [NASN Position Statements](#);
- take the [practice test](#);
- check out your state's or a neighboring state's annual conference;
- attend the NASN annual conference in San Diego, and
- "**chuck a buck a day away**"

By next November you will be ready to take the exam!
Hooray!!!!
